

Na Wahine O Ke Kai 2012 Sunday, Sept. 24/2012 Results

Large waves in Haleolono Harbor Sunday morning swamped 10 canoes. One boat was damaged by the waves, but the others made it to the start line. Despite finishing with the slowest winning time in more than a decade, Team Bradley overcame rough waves, a strong current and sloppy ocean conditions en route to a victory Sunday at the 34th annual Na Wahine O Ke Kai.
