Rules

1. Crews must participate in a minimum of 3 of the 5 events to qualify.
2. Only CORA clubs and the crews from those clubs are eligible for the Cup system.
3. Crews must participate under one club name.
4. A crew's TOP THREE results will be used to calculate the final point totals.
5. Crew rosters may change but the crew must continue to use the same name AND age category throughout the season. CORA will not recognize a crew that has an ever-changing name.
6. Crews may be forced to race down an age class for the purpose of a specific race, however, the age category that the crew REGISTERS in (registered category must be the same throughout the season) will be used to calculate the points. It is important that race directors know which age category the crew is racing in.
7. If it comes to the attention for the Race Director or Cup Analyst that any of the above rules have been broken, then all club rosters will be checked against the CORA Registration Database and potential disqualification from the CORA Cup series may occur.

Notice to Race Directors

1. Please ensure that in your race results, you include the age category that a crew of individual is REGISTERED in, even if they raced in another age class for a particular event.
2. Please ensure that all crews understand that their names cannot change throughout the year.
3. Please cc all race results to information@canadianoutrigger.com
