

PNWORCA 2019 Winter Series Race #4 Jericho - Cancelled

Hosted by Pacific Northwest Outrigger

Schedule - Saturday, February 16, 2019

February 14, 2019

Paddlers: We have decided to cancel the PNWORCA Winter Series 2019 - Race #4 event this weekend. Bunch of reasons.... every weather forecast is different from relatively mild to another cold front. More snow and freezing rain for tonight will not help. The parking lot at the Sailing Centre has not been plowed and only some of the pathways inside the Sailing Centre have been cleared.
