

CORA Annual Technical Meeting Minutes
Sunday, November 22, 2020 at 1:00 pm PT
Via Zoom Video Conference

The technical meeting is a CORA Board meeting to discuss issues surrounding racing, development of the sport of outrigger, promoting and facilitating both individual and club members. The CORA membership is invited to observe and provide input into the operational aspects of CORA's mandate. It is not a substitute for the AGM although some line items will have overlap with AGM topics.

1. Welcome and Roll Call (Ron Chin) 1:00 PM

- Board Members in Attendance: Leanne Stanley, Erik Ages, Ron Chin, Marianne Pilon, Grace Morrissette, Graeme Galves, Rob Varnel, Jonathan Wilkins, Scott Borle, Rob Magus, Cindy Wright, Momy Sy
- Board Members Absent: N/A
- Members in Attendance: Jan Chavarie (Jericho), Michael Matthews, Tamas Mihayi, Bob Woodman, Val Simmons, Tony Vukasovic, Neil Martindale, Roberta Martin
- Member joining by phone: ? (?)

2. 2020 Race Report (Recap of the 2020 Race Calendar) (Graeme Galves)

- Graeme gave a review of the 2020 race season highlights and participation. (Please see report appended after PDF copy of minutes.)

3. COVID-19 and scheduling and format of 2021 events (Ron Chin)

- Proposed 2021 race schedule (attached below minutes) was reviewed for questions (e.g., confirmation of format, distance and CORA Cup status). Draft schedule will be updated by the Communications team on the website after today's meeting and is subject to change: <https://canadianoutrigger.ca/races/race-schedule/> Click on the "2021" button.
 - Races have been identified by season and region.
 - Races are currently restricted to regions by Provincial Health Guide
 - Races may or may not be run due to Provincial Health Guide and as a result attendance at races.

- Cancellation of Samoa and COVID have played a part in the races listed at this time.
- CORA cup series is subject to races happening. This series may be replaced by a Championship race per region, as per proposed race schedule based on regions attached to race schedule. Provincial Health Guidelines must be adhered to when races are run, for example keeping canoes sanitized and spacing allowed for
- CORA has approved for the winter series a draw prize which will be drawn based on points issued to paddlers. The more races you do the more times your name goes in.
- Powell River - queried their region - they are Mainland

Board has extended into 2021 cutoff date for applications to host but must be received 90 days prior to requested race date, and subject to requirements as per Provincial Health Guide.

Motion - Board to approve 2021 race schedule, subject to host club decision to run as per Provincial Health Guidelines

1st - Ron

2nd - Jonathan

Approved

4. **IVF World Championships Updates (Leanne Stanley)**

- Leanne gave a review of the IVF Sprints / Distance initiatives (Please see report appended after PDF copy of minutes.)
- Sprints
 - Leanne - cancelled and refunds given. London 2022 is going ahead as planned for now
- Distance
 - Leanne - cancelled, including fall camp. Samoa will be host for 2023. Restarting selection process in the fall of 2022, with new guidelines out in 2021.

5. **Discussion of ongoing initiatives**

- Coaching Resources (Leanne Stanley)
 - Leanne - Needs to set up a committee. People are missing the opportunity to connect and talk story. A couple different formats for Zoom calls including Town Halls and Topic for different sessions. Topic meetings - questions will be submitted ahead of time which will be answered by a panel hired for this.
- Junior / Novice support (Marianne Pilon)
 - Marianne - (Please see report appended after PDF copy of minutes.)

- Online outrigger 'Town Hall' community discussions via Zoom (Ronald Chin)
 - Ronald - See Leanne's notes above
- COVID Response Report: CORA initiatives review (Ronald Chin)
 - Ronald gave a review of CORA initiatives to respond to the COVID crisis (Please see report appended after PDF copy of minutes.)
- Communications Report - Website / Facebook / Email (Erik Ages, Graeme Galves)
 - Erik and Graeme gave a review of CORA Website / Facebook / Email communications (Please see reports appended after PDF copy of minutes.)
- CORA Small-Boat Racing Winter Series (Rob Magus, Graeme Galves)
 - Rob and Graeme gave a review of the proposed Small-Boat Racing Winter Series initiative to respond to the COVID crisis. Race schedule including small-boat series has been approved earlier. (Please see report appended after PDF copy of minutes.)
- Awards "Committee" Report & Hugh Town Memorial Award (Graeme Galves)
 - CORA website has a page outlining both of these awards.
 - Policy and procedure is in place for receiving nominations for the awards, and will be available on website.
 - Graeme gave a review of the Hugh Town Memorial Award and Peter Forand Master Challenge recipients (Please see report appended after PDF copy of minutes.)
- Race Committee Canoe Registry Report (Graeme Galves)
 - Graeme gave a review of the Canoe (OC6 / OC4) Registry initiative (Please see report appended after PDF copy of minutes.)
- Historical "Committee" Report (Graeme Galves, Grace Morrisette)
 - Graeme and Grace gave a review of the initiative to collect / publish "legacies" of Canadian outrigger canoe racing (Please see report appended after PDF copy of minutes.)

6. Discussions, issues or concerns initiated by the members (Rob Varnel)

- Ron Chin invited input from the membership for input to improve race experiences
- No questions

Meeting adjourned at **1:50**

Action items identified in CORA Annual Technical Meeting, Nov 22, 2020			
No.	Assignee	Action Item	Due Date

Tech 1	Erik	Make Technical AGM and AGM Zoom recordings available to capture attendees and Action Items and Chat comments (notably Mike Parks magazine article)	2020-Dec-15
Tech 2	Erik / Graeme	Investigate WordPress FAQ plugins to improve website self-service and reduce CORA Inbox maintenance	2020-Dec-31
Tech 3	?	?	?
Tech 4	?	?	?
Tech 5	?	?	?

CORA PRESIDENT'S AGM ADDRESS 2020

With only 3 big boat races and a couple of small boat races before the lockdown for COVID-19, 2020 certainly wasn't a busy racing year. In British Columbia, our introduction to COVID-19 began with restrictions on gatherings to 250 people, which sent race directors scrambling. One-by-one, races were cancelled, restrictions were tightened, Clubs ceased operations and paddlers were locked out. We remained hopeful that OC6 racing might resume in the summer, and examined alternate scenarios. But it wasn't until the end of summer that the restrictions were loosened enough to allow even OC6 practices, in fits and starts, and some trepidation, as a second wave now knocks on our door.

Over the summer, paddlers retained their connection to the water through small boats training, whether they felt the power of each stroke for the first time, or optimistically trained for a World Championships that would ultimately be postponed. Others maintained their connections off the water - to their fellow paddlers - through cycling, picnics, hikes and Zoom workouts. The summer flew by, leaving us wondering how we usually fit it all in, and how we can lose the added weight.

Although the year wasn't busy with racing, it was busy behind the scenes for the CORA Board. Before the shutdown, we issued amended Long Distance Race Rules which introduced a Keiki division, Masters 40+ UL divisions, and mandated consistency in race awards. Leanne Stanley and our IVF committee worked tirelessly throughout, coaching, planning and managing crew selection for IVF World Championships. Graeme Galves contacted numerous CORA Clubs in search of information to update the CORA Canoe Registry and together with Grace Morissette compiled historical information on Canadian outrigger clubs. Throughout the pandemic, we monitored developments related to the impact of governmental regulations and orders on the sport and communicated them to our members through the CORA website, culminating in our OC6 Phase 3 Return to Sport Guidelines (BC) in late September. We are looking forward to realizing the value of our new Zoom account with coaching and community outreach initiatives.

I'd like to thank each of the CORA directors, officers and volunteers who have donated their time to make the organization run smoothly. Our finances are in check thanks to Jonathan Wilkins and we have streamlined the grant payments through e-transfers. We have each become more familiar with our Google platform for managing the Board's documents, communications and databases and learned to navigate posting information on the CORA website, for which we have an ongoing debt of gratitude to Erik Ages and his team. Two directors who are not seeking re-election this year are Don Mulhall and Grace Morissette. We'll sorely miss Don's skillful calculation of the CORA Cup points, and while not a director, Grace will continue to assist us with the CORA memberships database.

Regards,

Ronald Chin
President

November 22, 2020

CORA COVID RESPONSE REPORT (AGM) 2020

OVERVIEW

The COVID pandemic of 2020 prompted cancellation of sports activities worldwide. The CORA Board acted upon whatever information became available regarding the impacts of COVID to provide information in a timely manner to CORA clubs / members across Canada.

ONGOING EVENT POSTPONEMENTS / CANCELLATIONS

The final in-person CORA sanctioned event of 2020 was the False Creek PNWORCA / CORA Winter Series Race in early March. When international / provincial / regional travel restrictions and gathering limitations were mandated in mid-March, initially, in British Columbia, with gathering restrictions of 250 persons and later 50 persons, CORA deferred to its member host clubs to decide whether they could host proposed races in compliance with applicable Provincial Health Orders and regulations. Gradually, over the initial weeks and months of the pandemic, optimistic host clubs postponed events while other cancelled them. The CORA Board responded through outreach to member clubs on scheduled events and communicating event postponements and cancellations via the CORA Event Schedule and a frequently updated website posting noting member clubs that had curtailed operations. As the impact of COVID forced the cancellation of IVF Hilo 2020 World Sprints and IVF Samoa 2021 World Distance, the CORA Board posted news for Canadian paddlers who had committed to these international events.

<https://canadianoutrigger.ca/2020-sprints-cancelled-by-ivf-2021-distance-selection-starts-now/>

<https://canadianoutrigger.ca/ivf/>

HEALTH RESOURCES WEB-PAGE

The CORA Board provided a website page dedicated to *Resources and Procedures under COVID mitigation in Canada* that provided COVID-19 Public Health Links and Reopen Plans for every Canadian province / territory, as well as province specific guidance such as BC Centre for Disease Control (BCCDC), BC Return To Sport, WorkSafe BC, Red Cross, BC Provincial Government Liability Protection, and Dragonboat BC announcements.

<https://canadianoutrigger.ca/canadian-outrigger-racing-association/resources/health-resources/>

SAFETY PLANS

The CORA Board directed member clubs to Safety Plan templates that had been provided by provincial health and safety authorities to assist with reopening club operations in accordance with federal / provincial / regional / municipal regulations.

INSURANCE COVERAGE

At the end of June 2020, the CORA Board was informed that its insurance underwriter, Merkel Canada Limited, unilaterally invoked a Contagion Exclusion Endorsement to CORA's insurance policy.

<https://canadianoutrigger.ca/2330-2/>

The CORA Board communicated measures by the British Columbia government to extend COVID-19 liability coverage to amateur sport organizations through the *COVID-19 Related Measures Act* (CRMA).

<https://www.viasport.ca/news/province-takes-action-support-return-sport>

ONGOING COMMUNICATIONS

The CORA Board continued to post information related to the impact of COVID on paddle sports through the website and social media as it became available. The CORA Board posted guidelines and links to provincial announcements (largely in British Columbia) to keep the membership informed as to the current state of paddle sports activities during the early stages in March / April, the emergence from lockdown in May, the Phase 2: Return to Sport in June / July, and the Phase 3: Progressively Loosen stage in August / September.

<https://canadianoutrigger.ca/august-2020-cora-covid-update-for-outrigger-clubs-and-paddlers/>

<https://canadianoutrigger.ca/july-2020-cora-covid-update-for-outrigger-clubs-and-paddlers/>

<https://canadianoutrigger.ca/return-to-sport-guidelines-for-cora-clubs-and-paddlers-under-covid-mitigation-in-canada/>

<https://canadianoutrigger.ca/cora-statement-regarding-covid-19/>

COHORT CREW BOAT TRAINING

The Province of British Columbia announced the Return to Sport Phase 3: Progressively Loosen guidelines late August. This new guidance introduced the concept of a "cohort" whereby a fixed number of individuals could form a "bubble" for training purposes, could expand paddle sports activities beyond the Phase 2 solo / tandem paddling constraints. This announcement was issued shortly before the September CORA Monthly Board Meeting, at which the Board assigned the task of developing a guidance document for CORA clubs / members on the roll-out of "cohort" crew boat training. This document was issued in late September:

<https://canadianoutrigger.ca/bc-return-to-sport-guidelines-for-crew-outrigger-now-available/>

PROACTIVE BUDGET PLANNING 2020 / 2021

When it became apparent that there was high likelihood of a 2020 CORA individual membership shortfall and that many member clubs might not be able to resume operations during 2020, the CORA Board asked the CORA Treasurer to consider the impact of the 2020 pandemic on not only the 2020 Budget, but the impact on the 2021 CORA Budget as well. The CORA Treasurer kept an eye on the 2020 CORA Budget and put forward a 2021 CORA Budget taking into consideration the financial impacts of reduced membership in 2021 due to a shortened 2021 season.

IVF SPRINTS / DISTANCE

The IVF Hilo 2020 World Sprints was cancelled in late March. The CORA Treasurer quickly responded by issuing refunds to all Canadian paddlers who had made deposits related to the IVF Hilo 2020 World Sprints.

The CORA IVF Committee continued to coordinate the selection process for IVF Samoa 2021 World Distance through-out the spring / summer / autumn of 2020 with training programs, virtual time trials, and V1 race-offs right up to the announcement by Samoa in early November postponing the event until 2023.

<https://canadianoutrigger.ca/2020-sprints-cancelled-by-ivf-2021-distance-selection-starts-now/>

<https://canadianoutrigger.ca/ivf/>

SMALL-BOAT RACING WINTER SERIES INITIATIVE

The CORA Board recognized that the ongoing uncertainty regarding big boat racing (V12 / OC6) would extend early into the 2021 racing season. With the current British Columbia cap of 50 persons on event gatherings curtailing big boat racing until BC enters Phase 4, a continued focus on small boat racing was considered an appropriate measure to encourage racing within regulatory constraints. The CORA Board will be coordinating a 2021 CORA Small-Boat Racing Winter Series on a regional basis. A guidance document has been published and the website has a page dedicated to this series with an "Intent To Host" form that had attracted seven host clubs as of early November. The series will be sanctioned at the Annual Technical Meeting.

<https://canadianoutrigger.ca/races/cora-2021-small-boat-racing-winter-series/>

VIRTUAL AGM

At the October CORA Monthly Board Meeting, CORA Board discussed AGM options given ongoing COVID concerns and the CORA Bylaws that allow for an exclusively electronic AGM. Several options were considered such as a socially distanced AGM at the Jericho Sailing Centre within restricted meeting room capacities, a fully virtual AGM, and a hybrid socially distanced AGM combined with a virtual AGM. The CORA Board opted for a fully virtual AGM and pursued a licence for a cost-effective and user-friendly video-teleconferencing platform (Zoom) that CORA anticipates using for ongoing virtual training / planning / meeting sessions.

Treasurer's commentary to CORA 2020 AGM

I am pleased to present the Financial Statements for CORA.

Included in the package are:

- the complete year to December 31st, 2019;
- the current year to date, including a projection to the end of 2020;
- and an outline budget for 2021.

The Year to December 31, 2019

The books for the *2019 Year* show a regular year. Membership – for individuals and clubs grew - and expenditures were almost exactly as budgeted, with the exception of one grant not being taken up.

Towards the end of 2018, CORA had been obliged to register for GST and 2019 shows the collection of GST and a liability to the Canada Revenue Agency.

The 10 months to October 31, 2020

The books for *2020 to date* look wildly different from the budget which had been so carefully planned. COVID really hit the racing calendar almost from the get go and this impacted memberships significantly. The flipside for the accounts, though, was that the grants that are normally made to racing programs could not be taken up.

On the balance sheet projection to the end of 2020, the reader will note a larger than expected *Cash At Bank* balance, because the Board has decided not to reinvest, at this time, a recently matured GIC. The rates are so incredibly low, it was considered more prudent to retain the cash on hand rather than tie it up in a medium term investment.

Budget for 2021

An outline *Budget for 2021* is included alongside the Income and Expenditure statement for 2020. Income forecasts are always difficult in such confused times, but the estimates for memberships, etc, have been carefully estimated.

On the debit side, the most notable changes relate to the withholding of a grant to the National Team Development program and a new line for the Town Hall program that will be explained at the AGM. At the time of writing, CORA has not yet received a quotation for the 2021 Insurance.

Respectfully Submitted
Jonathan Wilkins
Treasurer

TOTAL COACH THE COACHES GRANTS PAID			0.00	
CLINIC, COACHING EDUCATION & COACH THE COACHES COMBINED TOTAL			\$724.50	

2020 Clinic Grant Budget Allocation: \$1,200.00

2020 Coaching Education Grant Budget allocation: \$1,000.00

2020 Coach the Coaches Grant Budget Allocation: \$5,000.00

2020 NATIONALS HOSTING GRANTS				
	<u>Club</u>	<u>Race</u>	<u>Amount</u>	<u>Status</u>
1.	VYPC	Sprint Nationals Hosting	\$1,000.00	Paid by e-transfer April/May 2020 (medals ordered before COVID shutdown and can be used in future)
2.	VYPC	Sprint Nationals Boat Rental	0.00	Not used – Race cancelled
3.	CVCRC	Distance Nationals Hosting	0.00	Not used – Race cancelled
TOTAL PAID			\$1,000.00	
2020 CORA CUP AWARDS GRANTS				
	<u>Club</u>	<u>Race</u>	<u>Amount</u>	<u>Status</u>
TOTAL PAID			0.00	
NATIONALS HOSTING & CORA CUP AWARDS COMBINED TOTAL			0.0	

2020 Nationals Hosting Budget Allocation: \$3,500.00

2020 CORA Cup Awards Budget Allocation: \$4,000.00

2020 RME GRANTS				
	<u>Club</u>	<u>Subject Matter</u>	<u>Amount</u>	<u>Status</u>
2020 Eligible Clubs RME Applications				
1.	Shuswap (SARP)	Repairs to OC4 & 2 OC2s	\$0.00	Do not have 6 CORA members
2.	Pearson College	Paddles and safety equipment	\$995.69	E-transfer issued October 29, 2020
3.	Campbell River	Repair iakos for OC6, boat cover, speed coach	\$1000.00	E-transfer issued June 8, 2020
4.	FCRCC	OC6 ama, OC1 and repairs	\$1000.00	Sprint cheque #120 issued by Jan May 11, 2020
5.	FGPC	OC1 dock extension	\$1000.00	E-transfer issued May 7, 2020
6.	Jericho	UL OC6 repairs	\$1000.00	E-transfer issued May 31, 2020
7.	ORPC	Dock repairs	\$1000.00	E-transfer issued Oct 5, 2020
8.	Sproat Lake	OC6 and OC2 repairs	\$0.00	Withdrawn as work to be provided for free.
9.	Pacific Reach	OC6 cover	\$1000.00	Approved October 30, 2020
10.	Fort Langley	OC1 and OC6 repairs	\$1000.00	Approved October 30, 2020
11.	Prince Rupert	OC6 repairs	\$1000.00	Approved October 30, 2020
ELIGIBLE 2020 GRANTS PAID			\$8995.69	
2020 Open Call RME Applications				
12.	DragonZone	OC1 repairs	\$1000.00	In process
13.	FVPC	OC1 and OC6 repairs	\$1000.00	In process
14.	KPC	OC1 and OC2 repairs	\$1000.00	In process
15.	Latitude 48	OC1 repairs	\$1000.00	In process
16.	VCKC	OC1 repairs and safety equipment	\$599.80	In process
OPEN CALL GRANTS PAID			\$4599.80	
TOTAL PAID			\$13595.49	

2020 RME Grant Budget Allocation: \$15,000.00

2020 TRAVEL GRANTS				
	<u>Club</u>	<u>Race</u>	<u>Amount</u>	<u>Status</u>
TOTAL PAID			0.00	

2020 Travel Grant Budget Allocation: \$8,000.00

2020 TOTAL GRANTS SUMMARY TO DATE			
	<u>Budgeted</u>	<u>Paid or Approved</u>	<u>Balance</u>
Clinic Grants	\$1,200.00	0.00	\$1,200.00
Coaching Education Grants	\$1,000.00	\$724.50	\$275.50
Regional Coach Coaches	\$5,000.00	0.00	\$5,000.00
Nationals Hosting Grants	\$3,500.00	\$1,000.00	\$2,500.00

October	23	8

This report is a summary of 2020 CORA Memberships (CORA club affiliation data is derived from paddlers' registrations). Membership registration is normally an ongoing process with the majority of forms and fees coming in online, but forms are also collected at races, by mail, or handed to a CORA board member. Online registration for 2020 was opened in December 2019. Lower membership numbers may be attributed to the Coronavirus COVID-19 pandemic resulted in changes in the 2020 race schedule, with numerous events being cancelled.

COMMUNICATIONS REPORT (OUTBOUND)

TO THE MEMBERSHIP
NOVEMBER 2020

The Canadian Outrigger Racing Association is tasked with receiving, interpreting and distributing information relevant to its mandate and membership, including policy and procedures as well as opportunities and challenges to and between member clubs, among external Canadian and international organizations, and to individual members across Canada.

CORA's outbound communications initiatives for 2020 began normally over the winter of 2019/20 with the provision of the society's proceedings from its 2019 annual general meeting, followed by the preparation, broadcast and confirmation of the society's annual membership renewals among club, club-affiliated individual members and unaffiliated members. These regular orders-of-business were accompanied by the curation, consolidation and provision of CORA's annual schedule of outrigger racing for the 2020 year.

CORA's board of directors became aware of COVID 19 along with all Canadians in the early months of 2020. The last head-to-head race sanctioned by CORA and held by a CORA member club was held on 8 March 2020 (FGPC Kan-U-Hakit, Victoria BC). On or around mid-March 2020, CORA clubs, teams and solo paddlers were subject to regional and national lock-downs and closure measures that applied to sports along with institutions and businesses across Canada.

Over the remaining months of 2020, CORA's board worked carefully to draw from and adhere to regional and national public health directives and orders as

they evolved in response to the CoV2 pandemic. The board also worked with national and provincial sport organizations in order to provide public health information as it applied to our individual members and clubs. The association consolidated guidelines applicable to regions across Canada and released specific guidance to outrigger clubs, paddlers and teams in British Columbia (Canada's most active and populated outrigger region) as that province's "return to sport" phases were articulated from viaSport to sport organizations over the latter half of 2020.

CORA has sought to provide clubs and paddlers with guidance over the 2020 year, and forward guidance in 2021. As part of this effort, the association has provided race directors with flexible opportunities to submit, revise and reschedule CORA-sanctioned races as hosted by member clubs over the 2020-21 years in response to changing competitive restrictions in Canada.

The CORA board looks forward to communicating with its membership, including clubs and individuals, as Canada adapts to therapeutics, vaccines and what's anticipated to be a cautious return to head-to-head training and racing within organized sports over the second half of 2021 year. The society will monitor and broadcast national and provincial guidance as it emerges in order to balance matters of public health with the future vitality of our sport.

CORA INBOUND ENQUIRIES REPORT (AGM) 2020

OVERVIEW

There was a time when the CORA Email Inbox necessitated constant monitoring due to the volume of enquiries for CORA Board activity that flowed through this channel.

The adoption of Google Workspace (formerly G Suite) with Gmail, Calendar, Meet, Chat, Drive, Docs, Sheets, Slides, and Forms has simplified internal / external communications. The migration to a new CORA website with many self-service capabilities has also reduced the workload on the CORA Board.

- RME / Trailing / Coaching / Clinic Grant Applications that had previously been submitted to the CORA Email Inbox and then forwarded to the Grants Officer are now sent directly to the Grants Officer via online forms.
- Event Sanctioning Applications that had previously been submitted to the CORA Email Inbox in the weeks prior to the AGM and then forwarded to the Race Committee are now managed directly by CORA Club Reps through the CORA Website Race Calendar.
- Enquiries for CORA Membership Lists by Race Directors prior to Sanctioned Events are now readily available from the Membership Officer.

There are presently two Board Members who receive notifications when messages flow into the CORA general enquiries email address. COVID substantially reduced the historical volume of inbound messages where the majority of enquiries would involve:

- Enquiries for event CORA insurance coverage certification
- Enquiries to post Race Results
- Enquiries for CORA Cup status
- Enquiries to postpone / cancel sanctioned events
- Paddlers / Teams looking for Teams / Paddlers / Canoes

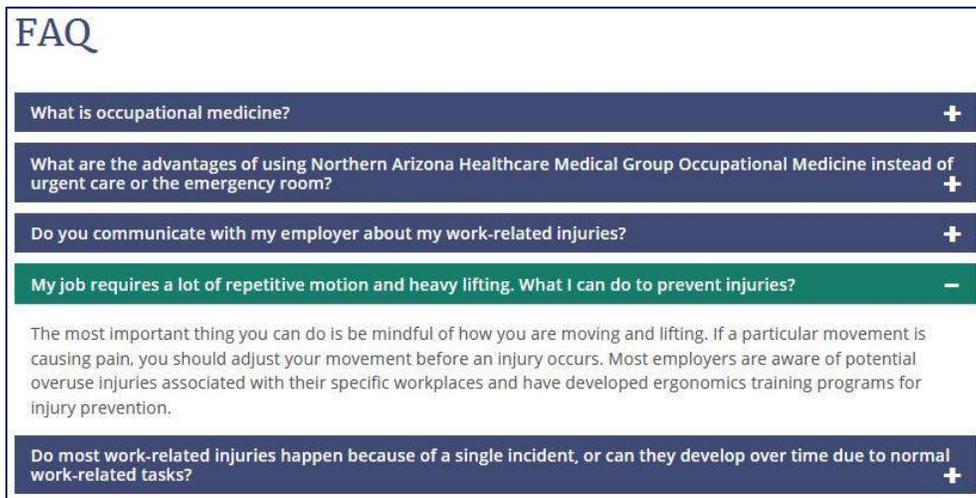

CORA EMAIL MESSAGE DISTRIBUTION

All of the "unsolicited" inbound messages that arrived at the CORA general enquiries email address, as well as enquiries that were put forward by individual Board members which they had received from within the membership were categorized to provide an overview of the various enquiries from the CORA Board. In a "normal" (non-COVID) season, the number of non-COVID enquiries would be double / triple / quadruple the number of current season number enquiries. The table below is sorted by number of messages by Enquiry Category Count (numerical descending) and then Enquiry Category (alphabetical ascending).

Topic (Enquiry Category)	Count
Individual Memberships? CORA Numbers? Status / Confirmation?	13
Phishing (SPAM)	12

Safety Complaint (Ron Chin)	1

RECOMMENDATIONS (IDEAS TO CARRY FORWARD INTO 2021)

Many of these types of enquiries have been flowing into the CORA Email Inbox for many years. Some of these enquiries do necessitate action by Board Members such as posting Race Results and issuing Insurance Certificates and so on. However, some of these enquiries could be handled by the membership themselves with a certain level of knowledge transfer. Some of these enquiries for information do not necessitate action by Board Members or Club Reps, and could be addressed by **providing a website page of FAQs to commonly asked questions**. The WordPress site may provide some intrinsic FAQ capability (plugins) or there are many websites that offer examples of how this functionality could be provided as per the screenshot below.

The screenshot shows a FAQ section with a dark blue header and a green bar for the selected question. The questions are listed in a dark blue box with white text and a plus sign on the right. The selected question is highlighted in green with a minus sign on the right. The answer is displayed in a white box with a dark blue background.

FAQ

What is occupational medicine? +

What are the advantages of using Northern Arizona Healthcare Medical Group Occupational Medicine instead of urgent care or the emergency room? +

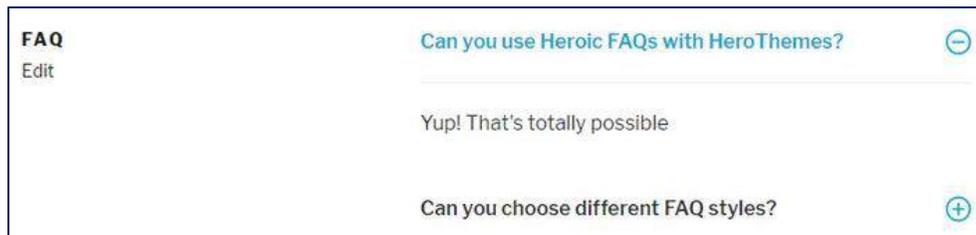

Do you communicate with my employer about my work-related injuries? +

My job requires a lot of repetitive motion and heavy lifting. What I can do to prevent injuries? -

The most important thing you can do is be mindful of how you are moving and lifting. If a particular movement is causing pain, you should adjust your movement before an injury occurs. Most employers are aware of potential overuse injuries associated with their specific workplaces and have developed ergonomics training programs for injury prevention.

Do most work-related injuries happen because of a single incident, or can they develop over time due to normal work-related tasks? +

Sample FAQ Format

The screenshot shows the Hero FAQ Plugin interface. It features a dark blue header with the text 'FAQ' and 'Edit'. The questions are listed in a light blue box with a minus sign on the right. The selected question is highlighted in a darker blue with a plus sign on the right. The answer is displayed in a white box with a light blue background.

FAQ
Edit

Can you use Heroic FAQs with HeroThemes? -

Yup! That's totally possible

Can you choose different FAQ styles? +

CORA AWARDS COMMITTEE REPORT (AGM) 2020

OVERVIEW

CORA Board did not have an Awards Committee in the past and does not have an official Awards Committee at present. The closest that CORA Board has come to coordinating Canadian outrigger canoeing Awards has been commissioning of the **Peter Forand Masters Challenge Trophy** in 2016 and the adoption of a process that led to commissioning of the **Hugh Town Memorial Builder Award** in 2019.

CHAIN-OF-CUSTODY

CORA Board recognizes the challenges in administering trophies based on experience with the CORA Cup Series trophies and various Dragon Boat BC trophies that CORA Board members have found themselves caring for over the years. CORA Board recognizes that trophies are an investment and should be tracked to avoid having to replace quite often irreplaceable mementos. CORA Board introduced Chain-Of-Custody documents for the **Peter Forand Masters Challenge Trophy** and the **Hugh Town Memorial Builder Award** to ensure that the last known whereabouts can be easily determined. These Chain-Of-Custody documents are to be found on the CORA Google Drive in the Awards folder.

PETER FORAND MASTERS CHALLENGE

Peter Forand left a lasting impression on everybody that he met during his time with Lotus Sports Club and Jericho Paddling Club and Comox Valley Canoe Racing Club (CVCRC). The Canadian Outrigger Racing Association (CORA) website has a perpetual page dedicated to the memory of Peter Forand. <https://canadianoutrigger.ca/community-2/peter-forand-masters-challenge-trophy/>

Ross Creasy of Open Ocean Outrigger had a friendship with Peter Forand that spanned many years. After the passing of Peter Forand, Ross Creasy petitioned CORA and PNWORCA to commission a trophy to be awarded after the PNWORCA Winter Series Championship race each year, to the top OC1 Masters (40+; 50+; 60+; 70+) paddler (female / male). This **Peter Forand Masters Challenge Trophy** was awarded in the first year (2017) to Peter Marcus (Kai Pana Outrigger Canoe Club) and in the next three years (2018-2020) to Minnie Fontenelle (Sand Point Outrigger Canoe Club). The hand carved wooden fish hook sculpture at the top of the trophy represents the deep connection and reverence that we have with the sea. The trophy does make an occasional appearance at a PNWORCA Winter Series race to honour the memory of Peter Forand.

The Peter Forand Masters Challenge trophy was AWOL for 2017 and 2018 and 2019. Once the trophy was recovered, we were finally able to present it to Peter Marcus, the 2017 champion, at the 2020 PNWORCA FCRCC Winter Series race, and to Mignon Fontenelle, the 2018 and 2019 champion, at the 2020 PNWORCA Jericho Winter Series race.

2020 had been an exceptional year for the PNWORCA Winter Series. There had been a number of years where the PNWORCA Winter Series had lost two races due to weather. The 2020 PNWORCA CROCC race was cancelled due to icy winds. The 2020 PNWORCA Kai Ikaika race took a double hit with the COVID outbreak and a snowstorm in Portland that weekend. The Sand Point Championship race was cancelled for the first time ever.

There were only four PNWORCA paddlers and one CORA paddler who participated in at least three races to win their boat / gender / age division. There were only two OC1 Masters paddlers who participated in at least three races.

Discussions between PNWORCA and CORA resulted in agreement that there was indeed an OC1 Masters paddler who participated in a minimum of three events in the same Division and was first in Points.

The 2020 PNWORCA Winter Series winner for the Peter Forand Masters Challenge was once again Mignon Fontenelle (Sand Point Outrigger Canoe Club) in the Women Masters 40+ OC1 Division. The 2020 PNWORCA Winter Series event organizers recognized Mignon Fontenelle for the third

consecutive year as the **Peter Forand Masters Challenge** winner in accordance with guidelines as the Female or Male Masters (40+ / 50+ / 60+ / 70+) paddler with the highest number of points across all age / gender brackets at the end of the Winter Series.

<https://canadianoutrigger.ca/mignon-fontenelle-sand-point-outrigger-canoe-club-wins-2020-peter-forand-masters-challenge/>

HUGH TOWN MEMORIAL BUILDER AWARD

The purpose of the **Hugh Town Memorial Builder Award** is to recognize volunteers who have made significant and exemplary contributions to the Outrigger Canoe Racing Discipline of Canadian Outrigger Racing Association (CORA) within Canada in the Builder Category.

<https://canadianoutrigger.ca/hugh-town-memorial-builder-award-2019/>

Prior to the 2019 CORA AGM there was no formal Policy or Procedure for administering and bestowing this award upon an individual. An outcome of the 2019 CORA AGM was approval of a Policy and Procedure to administer and potentially bestow this award upon a member each year.

<https://canadianoutrigger.ca/wp-content/uploads/2020/01/Hugh-Town-Memorial-BUILDER-Award-Policy.pdf>

The CORA Board reviewed nominations received for the 2019 season and recognized Grace Morissette of Lotus Sports Club as the 2019 recipient of the **Hugh Town Memorial Builder Award**.

Grace Morissette has a 30+ year legacy of selfless volunteer effort to paddling sports in general & outrigger canoe racing in particular. She has made contributions to support Canadian paddlers at the international, national, provincial, and club level. She has been part of the Lotus Sports Club that has organized the popular Lotus Iron, Lotus Icebreaker, Lotus Poker paddle, and Bill Alley Memorial Lotus Dragon Boat Regatta for many years. She has given freely of her time as a juniors & steering coach at Lotus Sports Club. She has served on the Lotus Executive & now the CORA Board.

<https://canadianoutrigger.ca/hugh-town-memorial-builder-award-2019/>

Pertinent points from the Policy or Procedure are as follows:

- *Nominations are to be received by the Awards Committee (CORA Board) from Paddling Association Members of the Outrigger Canoe Racing via a form posted on the Canadian Outrigger Racing Association (CORA) website (within 7 calendar days of the AGM). A decision shall be taken by mail or email ballot for each nomination received. Results shall be communicated to the Chairman of the Canadian Outrigger Racing Association (CORA).*
- *If approved by the Canadian Outrigger Racing Association (CORA), the selected Award recipient shall be advised and invited to attend the upcoming AGM with a guest at the Meeting of Members (AGM) as guests of CORA. The Canadian Outrigger Racing Association (CORA) shall announce the*

Award recipient to the paddling community (via a CORA website perpetual page within 7 calendar days after the first CORA Board Meeting of the New Year).

- *The presentation of the Award shall be made on the occasion of the Meeting of Members (AGM) of the Outrigger Canoe Racing Discipline or, if the recipient is unavailable at that time, then at another appropriate time (via a CORA website perpetual page within 7 calendar days after the first CORA Board Meeting of the New Year).*
- *The Canadian Outrigger Racing Association (CORA) shall formally present a trophy with engraved names of all previous winners to the recipient of the Award at the Canadian Iron Championships each calendar year.*

As the Canadian Iron Championships had been cancelled for 2020, best efforts have been made to present the trophy to the 2019 recipient at a mutually convenient time / place.

PETER FORAND MASTERS CHALLENGE ADMINISTRATION

PNWORCA Executive is responsible for administering the PNWORCA Winter Series Race Results and communicating standings in each boat / gender / age division. It is important that CORA and PNWORCA Race Directors communicate PNWORCA Winter Series Race Results in a timely manner and consistent format to the PNWORCA Race Chairman. Administration of the **Peter Forand Masters Challenge** standings adds a level of complexity due to the consolidation of all female / male OC1 Masters (40+ / 50+ / 60+ / 70+) into a single division. CORA Board has taken the lead on PNWORCA Winter Series Race Points for the **Peter Forand Masters Challenge** standings and collaboration with the PNWORCA Race Chairman since 2017. There is a Series Points Template to assist with this process. There should be a knowledge transfer for this process.

HUGH TOWN MEMORIAL BUILDER ADMINISTRATION

The procedure for administration and bestowing is well-documented. There is a concern that this is a novel process and has not yet become ingrained in CORA Board business-as-usual or as an expectation by the membership as to how this should happen on an annual basis. Nor is there an individual who has been tasked with ensuring that the procedures are followed.

CORA AWARDS VENDORS

Note that Kerr's Recognition Services Inc. in Vancouver BC has provided trophies and glass awards and medals for CORA for many years. There are many recognition services vendors that provide comparable products / services. However, the proprietor (Sae Kerr) and the designer (Ross Lawton) have collaborated with CORA for many years and provide exceptional service and maintain records of design work and invoices going back to the 1990's. When plates on trophies require engraving to commemorate the current year recipient, they are able to deliver results in a very timely manner.

Contact details are as follows:

- Kerr's Recognition Services Inc.
8385 Saint George Street #14
Vancouver, BC V5X 4P3

t. 604.325.0721

f. 604.325.0717

- Sae Kerr: sae@kerrsrecognition.com
- Ross Lawton: ross@kerrsrecognition.com
- <https://www.kerrsrecognition.com/>

Canadian Outrigger Racing Association

IVF Committee

2020 CORA AGM

IVF Director Report

SPINTS – Hilo 2020:

In March, the IVF and HCRA World Sprints organizing committee had decided that the 2020 IVF World Sprint Championships, slated to be held in August, would be canceled due to the COVID-19 pandemic. It was with great disappointment that we had to inform those that had been selected to represent CANADA that we would not have a Team Canada this year. At the time, we did not know the trajectory of the pandemic but in hindsight, we all know that it was the right call and are glad they made it that early.

Recent communications from the IVF state that London will remain as host for the 2022 IVF World Sprints. As such, Canadian paddlers interested in trying out for Team Canada should look for 2022 Selection documents and Intent to Compete in Spring 2021 with trials anticipated late summer/early fall (pandemic permitting of course) and Elite selection continuing into spring 2022. Hopefully, no snow at trials this time!

DISTANCE – Samoa 2021:

With the ongoing pandemic, the team selection process for Samoa 2021 was adjusted for physical distancing and registration opened spring 2020. Interested paddlers committed to individual time trials that were submitted monthly with the hope that we would hold a V6 selection camp in October. Unfortunately, it became obvious in August that a camp would not be possible with the local, provincial and federal COVID restrictions. As such the camp was postponed until the spring.

Western paddlers trying out for a V1 position did have the opportunity to race-off on October 18th in Vancouver with strict COVID protocols in place and the generous donation of time from the Jericho Search & Rescue, Jan Chev and her team of volunteers from Jericho, and members of the CORA Board.

Unbeknownst to all of us, at the same time as the V1 race-offs, IVF and SOCA (Samoa Outrigger Canoe Association) were determining the fate of the 2021 World Distance Championships scheduled for August 2021. On November 5th, the announcement came, Samoa 2021 would be postponed until 2023 – there will be no IVF World Championships in 2021. Team selections for 2023 will take place during the summer/fall 2022 into spring 2023.

At this time, there are no published event dates for London 2022 or Samoa 2023.

Presented by: Leanne Stanley – CORA IVF Director

CORA INSURANCE AND SAFETY REPORT (AGM) 2020

CORA only hosted a few races at the beginning of the year before we shut down due to COVID-19.

CORA's insurance policy provides third party liability insurance, covering claims by third parties against CORA member clubs and individual members. In early 2020, CORA's insurance underwriter, Markel, unilaterally invoked a "Contagion Exclusion Endorsement" so that any insurance claims arising from COVID-19-related claims would not be covered (the text is attached).

There have been no incidents or claims to report.

As a result of the change in activities arising from COVID-19, we are doing a review of the coverage under our insurance policy and how it affects our clubs, particularly those who rely on CORA's insurance for their day-to-day operations.

This review will be used in the future as we explore our insurance options.

Contagion Exclusion Endorsement

READ THIS ENDORSEMENT CAREFULLY AS IT MAY EFFECT COVERAGE UNDER THE POLICY

This Insurance Policy provides no coverage for any **Claim** in any way caused by, arising out of or resulting from any disease or contagion, including that designated as such by any of the following:

- A. a Federal, Provincial, Territorial or Municipal authority or agency;
- B. a Minister of the Federal, Provincial or Territorial Crown;
- C. a person occupying the position of Chief Medical Officer of Health (or similar position) of a Province, Territory or Municipality;
- D. the World Health Organisation;
- E. the Center for Disease Control/Centre for Disease Control of
 - i) Canada or any Canadian Province or Territory;
 - ii) the United Kingdom of Great Britain and Northern Ireland; or
 - iii) of the United States of America and any American State or Territory.

For purposes of this Endorsement, disease or contagion so designated shall include:

- a) any derivative, mutation or variation of the disease or contagion;
- b) any fear or threat of the spread of the disease or contagion;
- c) any failure to prevent, contain or eradicate the disease or contagion.

For purposes of greater clarity the following are diseases or contagion that are excluded pursuant to this endorsement:

- 1) Coronavirus disease (COVID-19);
- 2) Severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2);
- 3) Ebola;
- 4) Avian Influenza (Avian Bird Flu); and,
- 5) Legionella (Legionnaire's Disease).

Avenant d'exclusion en raison d'une contagion

LISEZ LE PRÉSENT AVENANT ATTENTIVEMENT, CAR IL POURRAIT AVOIR UNE INCIDENCE SUR LA COUVERTURE AU TITRE DE LA POLICE

Cette police d'assurance n'offre aucune couverture pour toute **réclamation** découlant ou résultant de quelque façon que ce soit de toute maladie ou contagion ou étant causée par une telle maladie ou contagion, y compris celles qui sont désignées comme telles par l'une des personnes ou l'un des organismes suivants :

- A. une autorité ou agence fédérale, provinciale, territoriale ou municipale;
- B. un ministre fédéral, provincial ou territorial de la Couronne;
- C. une personne occupant le poste de médecin hygiéniste en chef (ou un poste similaire) dans une province, un territoire ou une municipalité;
- D. l'Organisation mondiale de la Santé;
- E. le Center for Disease Control/un centre de contrôle des maladies
 - i) du Canada ou de toute province ou de tout territoire canadien;
 - ii) du Royaume-Uni de Grande-Bretagne et d'Irlande du Nord; ou
 - iii) des États-Unis d'Amérique et de tout État ou territoire américain.

Aux fins du présent avenant, une maladie ou une contagion désignée comme telle comprendra :

- a) tout dérivé, toute mutation ou toute variation de la maladie ou de la contagion;
- b) toute peur ou menace de propagation de la maladie ou de la contagion;
- c) tout échec à prévenir, contenir ou éradiquer la maladie ou la contagion.

Pour être plus précis, voici les maladies ou contagions exclues au titre du présent avenant :

- 1) maladie à coronavirus (COVID-19);
- 2) coronavirus du syndrome respiratoire aigu sévère 2 (SARS-CoV-2);
- 3) maladie à virus Ebola;
- 4) influenza aviaire (grippe aviaire); et
- 5) légionnelle (maladie du légionnaire).

CORA CANOE REGISTRY REPORT (AGM) 2020

OVERVIEW

This initiative began as an exercise 1) to capture an inventory of CORA "big boats" (much like the SCORA / OH CRA / HCRA Registries) and 2) to capture details (names / IDs / colours / weights) of CORA "big boats".

Reconciling conflicting / out-of-date information, as well as the number of "big boats" in the hands of non-CORA clubs / teams, as well as the inclusion of Eastern Canada clubs / teams led to a larger exercise.

APPROACH

- CORA Board members provided four different Excel and PDF files from 2009 / 2010 / 2014 / 2018 with data on approximately 63 OC6s - over 40% of those OC6s are no longer with the club of record
- Copies of a small number of CORA Club Responses with canoe details were helpful and we should adopt a process of getting those emails and attachments into the Google Drive for reference
- Just about every CORA club / team website that was browsed had OC6 / OC4 details (counts / photos / images) that were not always accurate / current but did provide valuable clues
- As a last resort, several CORA Board members and club reps were emailed when "insider" knowledge was invaluable

ISSUES

The data on the Excel and PDF files was woefully incorrect:

- Canoes have been continually changing hands for many years: 2 WestBay Performance Paddling Mirages went to Comox and False Creek; 2 False Creek Calmars went to Fraser Valley and Kelowna; 1 Jericho Lightning went to Fort Langley; 2 VOS Lightnings went to Dragon Zone and Fort Langley and 1 VOS Striker went to California; 1 NCKC Calmar went to Maple Bay; 1 Calgary Mirage went to Fairway Gorge; 1 Harrison Advantage went to Fraser Valley; 1 Penticton Calmar went to Kelowna; 2 Dennis Campbell Rhinos went to Prince Rupert - just to name a few
- Clubs are continually acquiring older canoes and repainting them and removing / replacing ID numbers
- Clubs have adopted their own ID numbers and the legacy pattern (Mxx=Malia; Cxx=Calmar; Axx=Advantage; Gxx=Mirage) no longer holds true and there are canoes with duplicate ID numbers as well canoes with 3 or more ID numbers (original ID number; new ID number; CORA small boat number decals)
- There was much errata in the Excel and PDF files with ID numbers no longer relevant due to repainting and canoes assigned to incorrect clubs / teams
- The increase to 8 Eastern Canada CORA clubs and the sharing of canoes between 15 Eastern Canada CORA and ECORA and unaffiliated clubs made it difficult to determine which clubs owned which canoes
- Determining which canoes each club owned involved getting an accurate split between club OC6s / OC4s

SUMMARY

- We were able to identify 165 "big boat" canoes within Canada

- We were able to capture current pictures of 97% (160/165) of the "big boat" canoes within Canada
- We were able to identify that several former CORA clubs (Harrison Paddle Sports; Nanaimo Canoe Kayak Club) have deeded / sold all of their "big boats" to other clubs
- There are 2 CORA clubs that do not appear to own any OC6s/OC4s (COMMOC; Victoria Youth PC)
- There are 7 CORA clubs and 1 ECORA club that each own at least 7 "big boat" canoes and collectively own 41% (67/165) of all "big boat" canoes in Canada
- 12% (20/165) of "big boat" canoes in Canada (1 in 8) are not owned by clubs / teams affiliated with CORA
- An email discussion with Val Simmons of Huanani noted the following 3 points: A) There is a dearth of OC6s in Quebec (2 in 2019 and 4 in 2020 (Huanani; H2O; MOPC; Onake); B) There are not enough OC6s in Ontario to support the demand; Wai Nui has been supporting local clubs / events with their 7 OC6s but the other 7 Ontario clubs only have 8 OC6s between them; C) A Florida outrigger club gifted an OC6 to an unnamed Toronto club to be shared but that "sharing" has not happened

RECOMMENDATIONS

- Consider an initiative to "gift" minimally used Western Canada OC6s to Eastern Canada clubs to support outrigger canoe growth in Ontario / Quebec
- Reach out to unaffiliated Eastern Canada clubs (MOPC; Onake; Ottawa River) to join CORA
- Have a CORA issued unique canoe # decal assigned to each canoe and affixed behind seat six
- When life returns to normal, consider an event showcasing the multitude of outrigger canoe makes in Western Canada

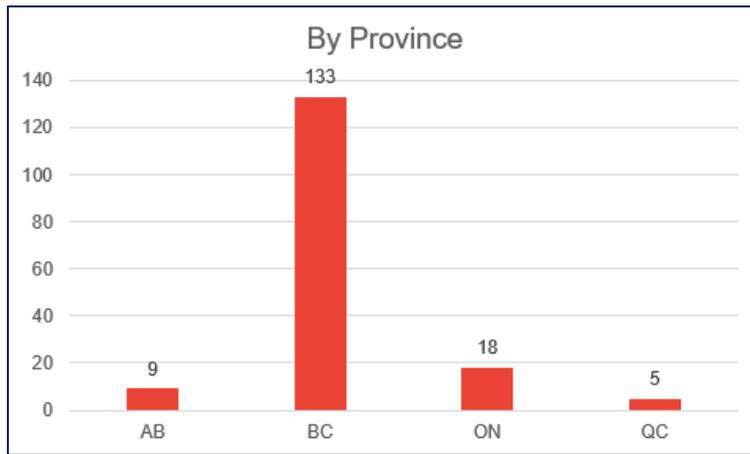

APPENDIX

This Appendix has four tables with counts / charts of "big boat" canoes by:

1. Province (BC; AB; ON; QC)
2. Affiliation (CORA Member; ECORA / Unaffiliated)
3. Division (OC4; Spec OC6; Unlimited OC6)
4. Make / Model / Manufacturer

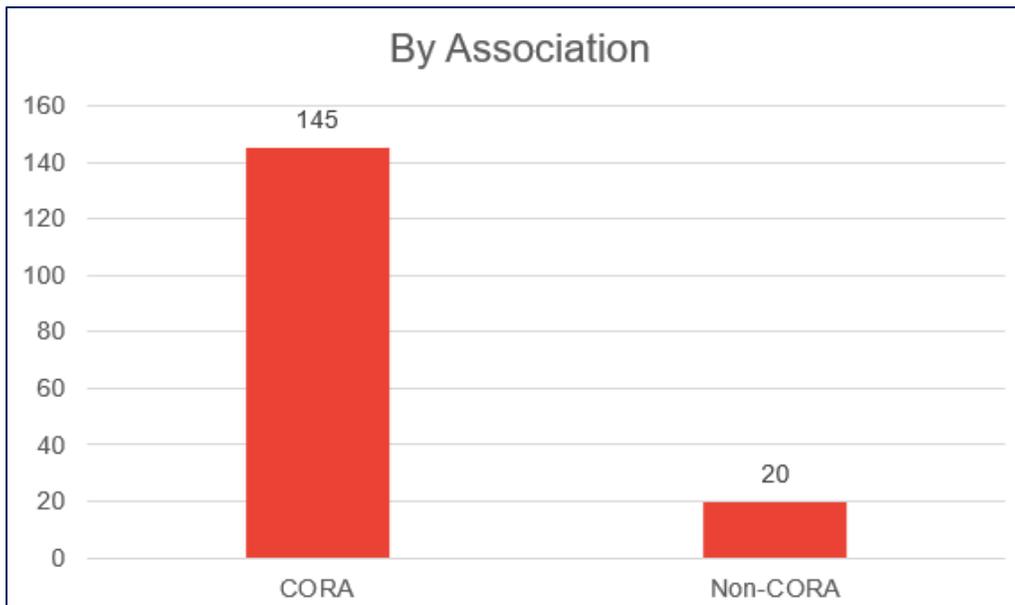

Canoes By Province (BC; AB; ON; QC)

Province	Boats
BC	133
ON	18
AB	9
QC	5

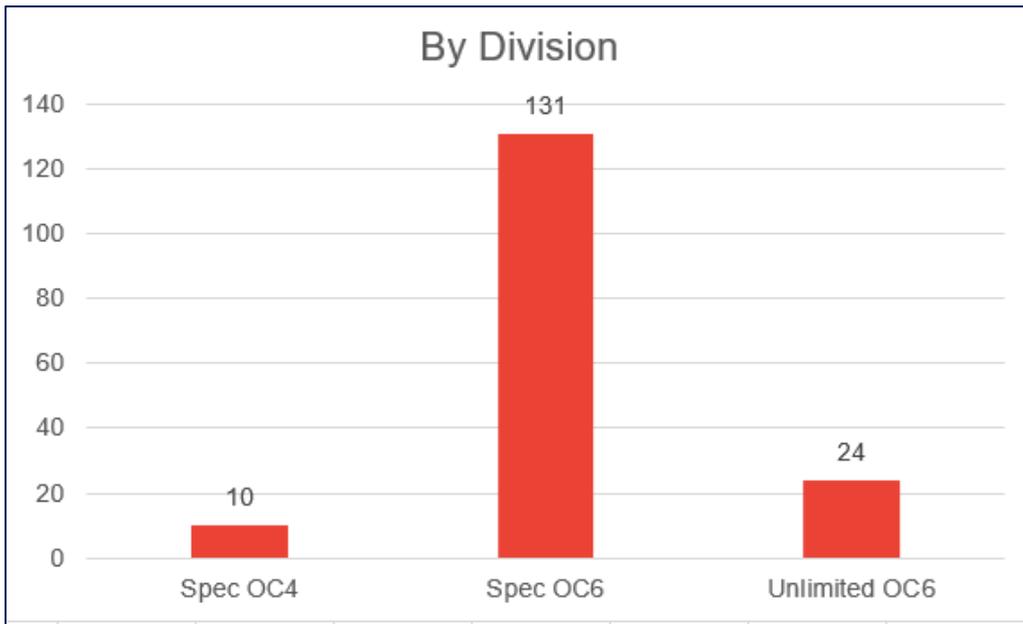

Canoes By Affiliation (CORA Member; ECORA / Unaffiliated)

Affiliation	Boats
CORA	145
Non-CORA	20

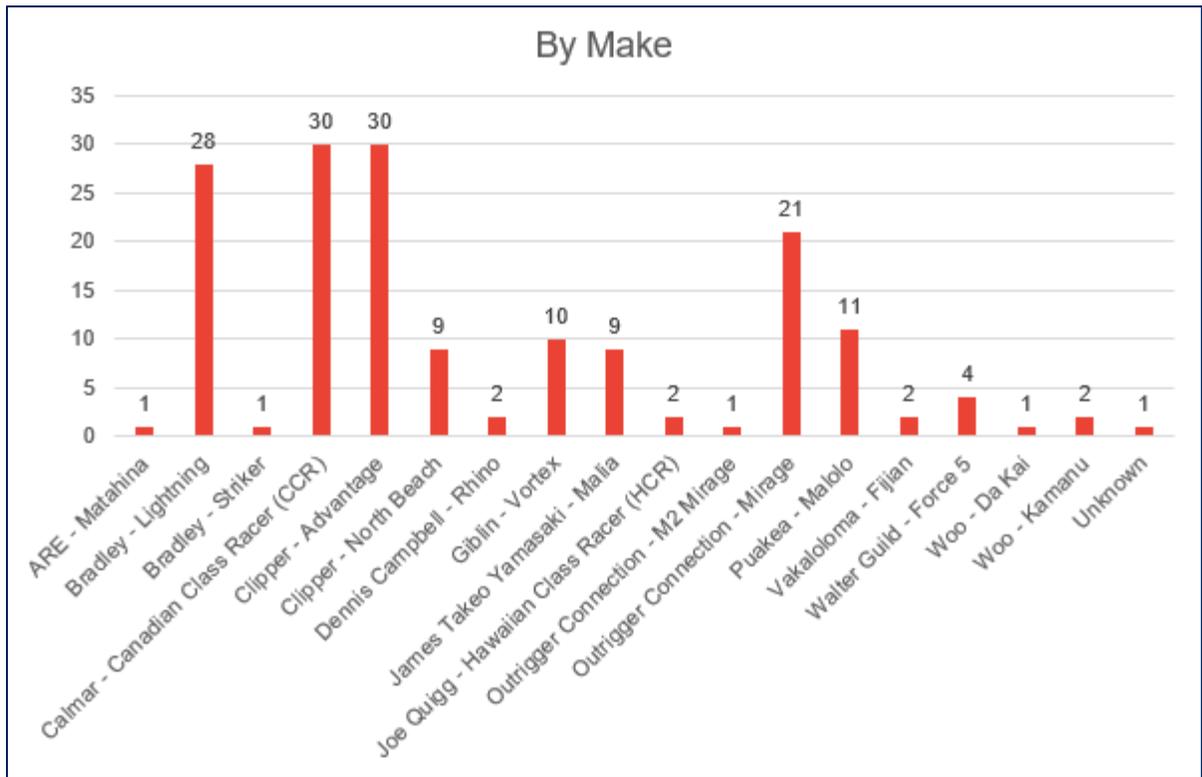

Canoes By Division

Canoe Division	Boats
Spec OC6	131
Unlimited OC6	24
Spec OC4	10

Canoes By Make / Vendor / Model

Make - Vendor / Model	Boats
Calmar - Canadian Class Racer (CCR)	30
Clipper - Advantage	30
Bradley - Lightning	28
Outrigger Connection - Mirage	21
Puakea - Malolo	11
Giblin - Vortex	10
Clipper - North Beach	9
James Takeo Yamasaki - Malia	9
Walter Guild - Force 5	4
Dennis Campbell - Rhino	2
Joe Quigg - Hawaiian Class Racer (HCR)	2
Vakaloloma - Fijian	2
ARE - Matahina	1
Bradley - Striker	1
Outrigger Connection - M2 Mirage	1
Woo - Da Kai	1

CORA HISTORICAL COMMITTEE REPORT (AGM) 2020

OVERVIEW

CORA Board did not have a Historical Committee in the past and does not have an official Historical Committee at present. The closest that CORA Board has come to collecting Canadian outrigger canoeing historical records has been the CORA website Meeting Minutes, Race Results, and a document ("*The Malia in B.C.*") by Doug Mancell (Lotus Sports Club).

<https://canadianoutrigger.ca/wp-content/uploads/2019/05/malia-history-in-canada.pdf>

MOTIVATION

Two factors led to the accumulation of a wealth of Canadian outrigger canoeing historical records during 2020. The first factor was an initiative by CORA Board to reconcile a series of out-dated 10-year old Canoe Registry documents (PDF / Word / Excel) into an updated Canoe Registry on the CORA Google Drive. The second factor was the pandemic of 2020 lockdowns in Spring / Summer that provided an opportunity to connect online with a spectrum of CORA and PNWORCA and SCORA members who had "tribal knowledge" related to most of the big boats (OC4s / OC6s) throughout Canada, yet that history had never been captured in written records for posterity.

OUTCOMES

Fact-checking, grammar-checking, umpteen email exchanges, and endless online searches resulted in a very definitive Canoe Registry of the vast majority of big boats (OC4s / OC6s) throughout Canada as well as a timeline of the travels of those canoes.

The end result of this ongoing research has been six reference documents:

- Detailed history of outrigger canoes from the original Hawaiian Malia (1938) to the various Unlimited OC6s (CORA website page)
- Detailed background on history / distributors / owners of all of the various Unlimited OC6s across Canada (CORA website page)
- Detailed history of the first outrigger canoes in Canada - a revisit of the Doug Mancell article (PDF)
- *The Lotus Story* – Extensive history covering 1986-2019 of one of the original Canadian outrigger canoe clubs (PDF)
- *The False Creek Story* – Extensive history covering 1982-2000 of one of the original Canadian outrigger canoe clubs (PDF)
- *The Jericho Story* – Extensive history covering 1993-2020 of one of the original Canadian outrigger canoe clubs (PDF)

The Lotus Story, *The False Creek Story*, and *The Jericho Story* will be available online following final reviews by CORA Board members.

PRESERVATION

CORA Board recognizes that these historical documents are a legacy to the founders and builders of Canadian outrigger canoeing and should be preserved for posterity. These historical documents are to be found on the CORA Google Drive in the Resources folder and will be published on the CORA website.

ACKNOWLEDGEMENTS

All of the research on the Canoe Registry had grown into a document more than fifty pages in length of copied / pasted email content from countless individuals. The one person who contributed some of the most important pieces of this puzzle was none other than 2019 Hugh Town Memorial Award Recipient Grace Morissette (Lotus Sports Club). At various times during the data collection process, Grace mentioned that somebody should save all of this history for posterity. This led to an unofficial CORA Historical Committee being formed.

Grace and numerous other former / current CORA members going back to the 1980's contributed such a vast set of material on Lotus that we decided to capture "*The Lotus Story*".

Jan Chavarie (Jericho Paddling Club) had already provided a wealth of background on BC Lower Mainland outrigger canoeing in the early 1990's. Jan agreed to sit for an interview with two major outcomes. The first was such a vast set of material on Jericho that we decided to capture "*The Jericho Story*". The second was a recommendation to contact Drew Mitchell (False Creek alumni) to reconcile the Lotus / False Creek / Jericho missing pieces.

Drew agreed to sit for a virtual interview with two major outcomes. The first was the resolution of many unanswered questions pertaining to the origins of Canadian outrigger canoeing in the early 1980's. The second was such a vast set of material on False Creek that we decided to capture "*The False Creek Story*".

First and foremost, a huge debt of gratitude is due to Grace and Jan and Drew for not only taking the time to sit for informal and formal interviews, answering countless questions, taking it upon themselves to do research to confirm events / times / places / individuals that are the threads of the history, and for diligently proof-reading / spell-checking / grammar-checking several drafts until the content was factually correct and politically correct, as some things are best left unwritten.

There are so many other individuals who have contributed to one or more of the six stories and they deserve recognition for their part in capturing and preserving this history.

- Andrea Dillon (False Creek) volunteered her time to proof-read "*The False Creek Story*"
- Hugh Fisher (Pemberton) recounted how False Creek MacGyvered a faux outrigger canoe to train for the Catalina and Molokai races
- Bud Hohl (SCORA Historian) recounted the years that Canadian crews did Catalina in the 1980's

- David Boulding recounted how the California Malia mold crossed over from Sumas WA to Maple Ridge BC and how the "Disbrow" Hawaiian Class Racer (HCR) came from Hawaii to Canada and how the Calmar Canadian Class Racer (CCR) came to be
- Jim / Garry / Doug Mancell recounted how / where / when the first Canadian Malias were manufactured and officially weighed by SCORA at a Catalina Channel Crossing race
- Boy Chun Fook (Kikaha O Ke Kai – PNWORCA) and Don Mulhall (Penticton Racing Canoe Club) recounted how the Penticton Hawaiian Class Racer (HCR) came from California to Canada
- Dan O'Donovan (Jericho Outrigger Canoe Club) recounted how the Calgary Canoe Club flat-water paddlers relocated to Vancouver to join up with False Creek and Jericho
- Jude Turczynski (Huki Outriggers & Surf Skis) recounted how the Huki OC6 ama seen on several Canadian OC6s came to provide financial leverage for his start-up OC1 / OC2 Surfski business
- Scott Borle (Fraser Valley Paddling Club) recounted how a FCRC Calmar and a Harrison Paddlesports Advantage and a Fraser Valley Dragonboat Club Bradley Lighting came to FVPC
- Donna Harrison (Gibsons Paddle Club) recounted how Gibsons acquired the only two Fijian Vakalomas in North America by way of SOAR (now defunct) after Fiji 1998 IVF World Sprints
- Val Simmons (Haunani) recounted how a Florida club generously gifted a Force Five to Wai Nui in Toronto and then it was gifted onto another Toronto club
- Andrea de Bruijn (Sproat Lake) recounted how one of only two Dennis Campbell Rhinos in Canada came to Sproat Lake and then onto Yellow Knife
- Joan / Brent Patriquin (Prince Rupert) recounted how the Dennis Campbell Rhino went to Yellow Knife and then to Prince Rupert
- Wolfgang Presslauer (Nanaimo Ocean Paddling Club) recounted how NOPC came to acquire all of the NCKC OC6s / OC4s
- Sue Milligan (Powell River) recounted how three Canadian Malias came to Powell River from False Creek via Gibsons to Powell River and how a Bradley Lightning came from Barry Kosturos
- Barry Kosturos (Jericho / Powell River) recounted how he came to acquire two Bradley Lightnings with one Bradley Lightning going to Powell River and the other Bradley Lightning going to Oregon
- Ross Creasy (Open Ocean Outrigger) recounted the timeline of the 120+ first-generation and second-generation C-Lion OC1s manufactured by Western Canoeing & Kayaking
- Corey Teramura (Pearson College) recounted how a Canadian Malia came from Powell River to Victoria
- Lynda Roberts (Calgary) recounted how two of fourteen Bradley Lightnings destined for New Caledonia 2010 IVF World Sprints ended up at VOS and Fort Langley
- Kenneth Ang (False Creek) recounted how the first ARE Matahina came to Canada from Newport Outrigger
- Bob Disbrow (Lotus Sports Club alumni) was not interviewed, but has left so many footprints in the course of his legendary career that appear on online search results to shed a light on his significant and understated role in expanding outrigger canoeing in Canada
- Don Irvine and Hugh Fisher (False Creek alumni) did not sit for interviews, but much like Bob Disbrow, both of them left a trail of notations in the online literature and have been mentioned by so many of the individuals actually interviewed, as two of the most influential and important figures in terms of the history of the Canadian Malia and the Canadian outrigger canoeing

EPILOGUE

CORA Board continues to collect historical records on Canadian outrigger canoeing. Stories for Vancouver Island and the Okanagan / Interior have been started, but material is lacking. Input is welcome from anyone who may wish to contribute material to add to the legacy of Canadian outrigger canoeing.

CORA RACE RESULTS REPORT (AGM) 2020

OVERVIEW

The CORA Race Results Report (AGM) 2019 noted that year-over-year 2018 / 2019 had seen an increase in overall total OC6 / OC9 / V12 dates and an increase in overall total OC6 / OC9 / V12 participation, but a decrease in average OC6 / OC9 / V12 participation – fewer paddlers were attending each OC6 / OC9 / V12 event. This drop-off in average participation was most noticeable in CORA Cup Series OC6 events. However, there was an increase in small-boat event average participation.

CORA Board introduced several measures at the 2019 CORA AGM as an incentive to boost average participation at CORA Cup Series OC6 events:

- CORA Board secured sponsorship to provide for \$1000 in prize money to be awarded at each CORA Cup Series OC6 event
- CORA Board increased the number of CORA Cup Series OC6 events from five to six with an additional event on Vancouver Island in recognition of the continued increase of membership in this region
- CORA Board amended the CORA Cup Series Race Rules to account for participation in all six events instead of best three results

<https://canadianoutrigger.ca/new-cora-long-distance-race-rules/>

CORA continues to support small-boat racing by providing subsidized small-boat racing numbers at zero cost to host clubs.

SHORTENED SEASON

The 2020 Racing Season became a series of unprecedented events that we can hopefully look back on as one that will hopefully never reoccur in our lifetime.

CORA clubs were only able to host **four sanctioned events** before the pandemic of 2020 arrived with full force in early March and forced a continual succession of postponements / cancellations of all remaining CORA 2020 in-person sanctioned events. Training camps for World Sprints paddlers were ended when IVF Hilo 2020 World Sprints was cancelled. Training camps for World Distance paddlers were ended when IVF Samoa 2021 World Distance was postponed.

- The fourth consecutive year of La Niña winter weather and hazardous driving conditions forced the first ever postponement of the Lotus Ice Breaker since its inception in 1993, resulting in a reduction in attendance to 35 from highs of 45-48 double-hull crews in past years.
- The Fairway Gorge V12-V21 event also experienced weather-related reduced attendance to 16 from highs of 20-24 double-hull crews in past years.

- The 2019 Jericho PNWORCA Winter Series Race was cancelled due to successive snowstorms days before the event. Yet the 2020 Jericho PNWORCA Winter Series Race had a combined 50 long / short course entries (on par with 2018 participation) on Saturday morning before a Pineapple Express arrived late on Saturday night to meet an Arctic Express and cover Jericho Beach with snow on Sunday morning.
- The 2020 False Creek PNWORCA Winter Series Race had reduced participation of 67 long / short course entries in comparison to the 2019 False Creek PNWORCA Winter Series Race with participation of 86 long / short course entries.

RACING OPTIONS

Although CORA sanctioned in-person big boat and small-boat events came to an end in early March, there were many alternatives for paddlers to continue self-directed training / racing.

Organized virtual racing became increasingly prevalent in Canada, West Coast USA, and Hawaii as a means for paddlers to maintain a training program throughout the COVID crisis. Virtual event organizers were conscientious in their promotions that paddlers should be respectful of local health authority regulations while participating in these virtual events.

Some of the many virtual distance racing events that Pacific Northwest paddlers participated in included:

- Maui Jim Social Distance Virtual Relay: <https://www.kanakaikaika.com/events/maui-jim-social-distance-virtual-relay/>
- Gorge Downwind Champs – Vortex Virtual Race Series: <https://paddleguru.com/races/GorgeChampsVortexVirtualPreSeason/results>
- Deep Cove Virtual Tuesday Night Racing: <https://www.deepcovekayak.com/category/race-result/>
- Kikaha O Ke Kai Chicken Long Rice Relay: <https://www.webscorer.com/race?raceid=221301>
- Virtual Indian Arm Challenge: <https://www.webscorer.com/register?raceid=221849>

SUMMER PADDLE SERIES

The Jericho Wavechaser Race Series is not a CORA sanctioned event and has been hosted by Jericho Sailing Centre Sailing Association (JSCA). This Summer Paddle Series is mentioned as this was the only in-person Paddle Series that took place through-out the summer of the pandemic of 2020. JSCA with the assistance of volunteers from Jericho Paddling Club (JPC) were able to host a 13-event Paddle Series open to outrigger, surfski, and SUP paddlers that adhered to BC Provincial health authority regulations and provided a model for hosting safe and successful small-boat races. As many CORA paddlers as the 50-person cap would permit, made use of this Summer Paddle Series as part of their training for IVF Samoa 2021 World Distance.

RACE RESULTS

- With the new CORA website and a reorganization of content, for 2020 and going forward, Race Results PDFs are now named as YEAR Club Event (2020 FGPC Wetdashe): <https://canadianoutrigger.ca/races/race-results/>

RACE RESULTS FORMAT

- Race Results continue to be collected and reported in various formats including PDFs and Google Sheets and WebScorer and Photographs and unformatted emails.
- CORA hopes to address this concern by introducing a standardized Race Results template that will facilitate CORA Cup Series Points tracking and reporting.

CORA CUP SERIES

The long-time CORA Cup Series Points Officer recently resigned from the CORA Board. The effort to coordinate the CORA Cup Series Points Results has become increasingly simplified courtesy of this former CORA Board Member. CORA Board is actively recruiting volunteers to contribute to the support of this important outrigger canoe racing initiative.

2021 PLANNING

CORA Board is optimistic that we will return to normal by the beginning of the 2021 season. CORA Event Sanctioning requests will continue to be accepted until April 2021. However, CORA Board recognizes that the ongoing COVID concerns create uncertainty with regard to 2021 early season big boat (V12 / OC6) events. The current BC event gathering 50-person cap is not likely to be raised until BC enters Phase 4, but has provided an avenue for clubs to host one or more small-boat events over the course of a day. CORA Board will be coordinating a 2021 CORA Small-Boat Racing Winter Series on a regional basis. A guidance document has been published and the website has a page dedicated to this series with an "Intent To Host" form that had attracted seven host clubs as of early November. <https://canadianoutrigger.ca/races/cora-2021-small-boat-racing-winter-series/>

2021 PROPOSED CORA RACE SCHEDULE

Date	Race Name	CORA Cup	Race Type	Contact Person
January 16	Lotus Ice Breaker V12 Race		OC-12 (double hull)	Grace Morrisette Lotus Sports Club
January 30	CORA LM Winter Series #1 - Jericho		OC 1/2, Ski, SUP, Winter Series	Jan Chavarie Jericho Paddling Club
February 6	FGPC V12 Race		OC-12 (double hull)	Erik Ages Fairway Gorge Paddling Club
February 7	CORA VI Winter Series #1 - FGPC		OC 1/2, Ski, SUP, Winter Series	Erik Ages Fairway Gorge Paddling Club
February 13	CORA LM Winter Series #2 - Lotus		OC 1/2, Ski, SUP, Winter Series	Grace Morrisette Lotus Sports Club
February 20	CORA VI Winter Series #2 - NOPC		OC 1/2, Ski, SUP, Winter Series	Wolfgang Presslauer Nanaimo Ocean Paddling Club
February 27	CORA LM Winter Series #3 - FCRCC		OC 1/2, Ski, SUP, Winter Series	Rob Magus False Creek Racing Canoe Club
March 6	CORA VI Winter Series #3 - FGPC		OC 1/2, Ski, SUP, Winter Series	Erik Ages Fairway Gorge Paddling Club
March 7	FGPC Kan-U-Hakit		Sprint	Erik Ages Fairway Gorge Paddling Club
March 14	CORA LM Winter Series #4 - FLCC		OC 1/2, Ski, SUP, Winter Series	Joanne Bolam Fort Langley Canoe Club
March 20	CORA VI Winter Series #4 – L48		OC 1/2, Ski, SUP, Winter Series	Jackson Avio / Melanie Conard Latitude 48
March 27-28	FCRCC March Madness		OC6	Lorri Stewart False Creek Racing Canoe Club
April 10	Wake Up the Gorge Small Boat		OC 1/2, Ski, SUP	Anthony Hopkin/ Bon Lee Victoria Canoe Kayak Club
April 25	VYPC National Sprints		Sprint	Marianne Pilon Victoria Youth Paddling Club
May 1	FGPC Brotchie Reach OC6 Race		OC6	Erik Ages Fairway Gorge Paddling Club
May 2	FGPC Brotchie Small Boat Race		OC 1/2, Ski, SUP	Erik Ages Fairway Gorge Paddling Club
May 15	Fort Langley OC6 Race	CORA Cup	OC6	Joanne Bolam Fort Langley Canoe Club
May 16	Fort Langley Small Boat Race		OC 1/2, Ski, SUP	Joanne Bolam Fort Langley Canoe Club
May 22	Jericho Iron Classic	CORA CUP	OC6	Jan Chavarie Jericho Paddling Club
May 22	D'Arcy Island Cash Dash		OC 1/2, Ski, SUP	Jackson Avio / Melanie Conard Latitude 48 Paddling Club
June 5	Island Iron OC6 Race	CORA CUP	OC6	Vivian Thomas Ocean River Paddling Club
June 6	Island Iron Small Boats race		OC 1/2, Ski, SUP	Vivian Thomas Ocean River Paddling Club
July 3	Lotus Iron OC6 Race	CORA CUP	OC6	Grace Morrisette Lotus Sports Club
July 4	Lotus Iron Small Boats Race		OC 1/2, Ski, SUP	Grace Morrisette Lotus Sports Club
July 31	North American Freshwater Challenge Small Boats Race		OC 1/2, Ski, SUP	Vernon Paddling Centre
August 1	North American Freshwater Challenge OC6 Change Race		OC6 Change	Vernon Paddling Centre
August 21	Battleship Iron	CORA CUP	OC6	Sproat Lake Canoe Club
September 18	Lotus Poker Paddle Race		OC6	Grace Morrisette Lotus Sports Club
October 2	ORPC Bridges OC6 Race		OC6	Vivian Thomas Ocean River Paddling Club
October 3	ORPC Bridges Small Boats Race		OC 1/2, Ski, SUP	Vivian Thomas Ocean River Paddling Club
October 23	Fort Langley Fall Small Boats Race		OC 1/2, Ski, SUP	Joanne Bolam Fort Langley Canoe Club
November 13-14	FGPC WetDashe OC6 Relay Race		Change, OC6, Relay	Erik Ages Fairway Gorge Paddling Club

Revised: November 18, 2020

CORA 2021 Small-Boat Winter Series Proposed Scheduling

OVERVIEW

CORA will be coordinating a 2021 CORA Small-Boat Racing Winter Series on a regional basis, given the uncertainty of the current health crisis and the challenges regarding big boat (V12 / OC6) racing going into the 2021 season. This initiative is not meant to replace 2021 Winter big boat racing, but is meant to offer an alternative should Winter big boat racing not be feasible.

TABLE LEGEND / NOTES

- Three Vancouver Island (VI) clubs and four Lower Mainland (LM) clubs submitted "Intent To Host" forms.
- Some clubs specified a single preferred date, some two preferred dates, and some three preferred dates.
- There have been no requests yet from Sunshine Coast or Okanagan / Interior or Alberta or the East.
- Jericho and False Creek hosted PNWORCA Winter series events in **2019** on Feb-15 and Mar-7.
- Lotus has already requested Jan-16 for Ice Breaker in 2021, although Grace has recently indicated that Ice Breaker will not likely proceed without a vaccine widely available.
- Fairway Gorge has already requested Feb-6 for V12-V21 in 2021.
- Fairway Gorge has already requested Mar-7 for Kan-U-Hak-It in 2021.
- False Creek has recently requested dates for March Madness in 2021 (3rd weekend in March is traditional) of Mar 27/28.
- Note that CORA clubs still have until April 2021 to request event dates, and March Madness is the most recent traditional pre-April event to be requested.
- Vancouver Island 4th (VI4) club is open at this time. Comox has declined. Nanaimo Ocean Paddling Club (NOPC) has offered to host two events (one on their traditional Crazy 8's weekend and one on Feb-20/21 weekend). Fairway Gorge Paddling Club (FGPC) has offered to host two events (one on their traditional V12-V21 weekend and one on their traditional Kan-U-Hak-It weekend).
- The "Recommend" Vancouver Island dates under both **Proposal A** and **Proposal B** have a 2-week gap between each of the four events, alternating weekends with Lower Mainland dates, with the final VI event on Mar-20/21 weekend. The only "wildcard" is the Mar-13/14 weekend where there is LM / VI overlap which could be NOPC Plan B or a backup for a "snow weekend". There may be an option to move Latitude 48 event between Saturday / Sunday if 2021 March Madness traditional weekend goes ahead.
- The "Recommend" Lower Mainland dates under **Proposal A** have a 2-week gap between each of the four events with the final LM event on Mar-27/28 weekend. This scenario avoids a Lower Mainland date falling on March Madness traditional weekend should False Creek request that weekend.
- The "Recommend" Lower Mainland dates under **Proposal B** have a 2-week gap between each of the four events with the final LM event on Mar-13/14 weekend. This scenario avoids a Lower Mainland date falling on March Madness traditional weekend should False Creek request that weekend.
- Note that the proposed scheduling under **Proposal A** presently has no dates in January and this would allow Ice Breaker to reschedule for a later January date should there be an opportunity to take advantage of more fortuitous circumstances.

Proposal A: February 7 – March 27

MEMORANDUM

To: CORA Board
From: Ronald Chin

Re: 2020 Open Call RME Grant Applications **Date:** November 18, 2020

During 2020, 9 RME Applications were received and approved, leaving a surplus of \$6,000 in the 2020 budget allocation for Repair, Maintenance & Equipment (RME) Grants.

I issued an Open Call for applications via e-mail on November 5th, with a closing time of 6:00pm on November 13th, 2020. Five (5) RME applications were received in response to the Open Call.

The following rules and conditions were stated for the 2020 Open Call:

- Completed RME Grant Applications must be received on-line through the CORA website <https://canadianoutrigger.ca/cora-forms/repair-maintenance-and-equipment-grant-application/> (date and time of receipt will be noted). RME Grant expense Eligibility Criteria are set out at the foregoing link.
- **The deadline for the submission of 2020 Open Call RME Grant applications is 6:00 pm, Friday, November 13, 2020.**
- The CORA Board will consider the applications at its pre-AGM meeting on November 21, 2020 and reserves the right to consider factors other than time/order of receipt (i.e. size of Club, financial need, frequency of previous RME Grants) in awarding grants.
- The subject matter for the RME Grants remains the same (see sections 1 and 2 of the Eligibility Criteria on the RME Grant application form).
- The maximum grant amount remains at \$1000.00.
- Member Clubs for whom 2020 is their first CORA membership year remain ineligible for any RME Grant until 2021.
- **In addition, a CORA club must have paid its CORA Club membership fee and have at least 6 paid-up individual CORA members (i.e. an OC6 crew) to be considered "in good standing" for the purposes of RME Grant eligibility.** Any deficiencies in these requirements will need to be remedied before an RME Grant application can be approved by the Board.
- The following Clubs eligible for a 2020 RME Grant have not submitted a 2020 RME Grant Application remain eligible for the 2020 Open Call. Beside each club name is your 2020 CORA club fee payment status and the number of paid individual CORA members affiliated with your club as of October 7, 2020.

Eligible Club	2020 CORA Member Club Status	2020 Individual CORA Members
1. Belleville Outrigger Canoe Club	Paid	3
2. Calgary Canoe Club	Paid	19
3. COMMOC	Paid	6
4. Gibsons Paddle Club	Not paid	4
5. H2O Outrigger	Not paid	1
6. Latitude 48 Paddling Club	Paid	66
7. Maple Bay Ocean Canoe Club	Paid	17
8. Pemberton Canoe Association	Paid	1
10. Shuswap Association for Paddling and Rowing	Paid	0
11. Sproat Lake Canoe Club	Paid	35
12. Squamish Paddling Club	Not paid	0
13. Sunnyside Paddling Club	Paid	0
14. Thunder Bay Outrigger Club	Paid	2
15. TSCC Maka Koa Outrigger	Not paid	9
16. Vancouver Island Paddling Club	Paid	9
17. Victoria Youth Paddling Club	Paid	13

- Member Clubs who received a 2019 RME Grant (including the 2019 Open Call recipients) are eligible for the 2020 Open Call. The following clubs received a 2019 RME Grant. Beside each club name is your 2020 CORA club fee payment status and the number of paid individual CORA members affiliated with your club as of November 4, 2020.

CORA CLUB	2020 CORA Member Club Status	2020 Individual CORA Members
Club Bon Accueil	Paid	4
Comox Valley Canoe Racing Club	Paid	47
Delta Outrigger Kanu Association	Paid	17
Dragon Zone Paddling Club	Paid	130
Fraser Valley Paddling Club	Paid	26
Kelowna Paddle Centre	Paid	20
Leduc Boat Club	Paid	23
Lotus Sports Club	Paid	54
Nanaimo Ocean Paddling Club	Paid	121
Penticton Racing Canoe Club	Paid	19
Powell River Outrigger Canoe Society	Paid	25
Vancouver Ocean Sports	Paid	8
Vernon Paddling Centre	Paid	8

CORA CLUB	2020 CORA Member Club Status	2020 Individual CORA Members
Victoria Canoe and Kayak Club	Paid	13
Wailua Outrigger Canoe Club	Paid	17

- Member Clubs who have already received, have been approved to receive or already submitted an application for a 2020 RME Grant are ineligible for the 2020 Open Call (i.e. only 1 RME Grant per year).
- Successful 2020 Open Call recipients will not be eligible for another RME Grant until 2022 (other than through a 2021 Open Call, if applicable).
- Neither invoices nor receipts are required with your application, however, successful applicants must submit all receipts (not just invoices) before December 31, 2020.
- **In your application under "Estimated Expenses", please indicate if your expenses have already been incurred or whether they are future expenses.**

In the case of repair work or services, preference will be given to applications for reimbursement of costs already incurred.

In the case of goods or equipment, preference will be given to goods already purchased or to goods that can be reasonably purchased by the end of the year (ie off the shelf items, not customized items).

If your expenses cannot reasonably be incurred in 2020, you should apply in 2021 for a 2020 RME Grant.

Receipts must name the Member Club to the extent possible (ie excluding retail store cash register receipts). Payment will be made by e-transfer (indicate to what e-mail address please) or by cheque payable to your Club, not individuals.

The RME Grant Application form sets out the following guidelines:

RME Grant Eligibility Criteria:

1. This grant can cover:

- a. Repairs to club-owned canoes*
- b. Repairs to clubhouses, docks and facilities that are own or leased by the club*
- c. Common club safety equipment, specifically, club paddles, club PFDs, rescue tools (toe lines, flares) safety kits, first aid kits*
- d. Maintenance to canoe trailers*
- e. Only CORA clubs in good-standing and with full CORA membership paid for both the previous and current seasons are eligible*
- f. The grant must be for the betterment of the club, CORA and the sport as a whole. You will be required to justify this with your statement-of-use.*

2. This grant does not apply to the purchase, partially or whole, for new/used canoes

3. The maximum grant amount is \$1000 per club every 2nd year. Clubs that are successful in a given year are ineligible the next year unless there are excess funds (ie. unused budget monies).

4. The budget for this year has been set and when that budget is exhausted no further grants will be considered.

SUMMARY TABLE

SUMMARY OF 2020 OPEN CALL RME GRANT APPLICATIONS

Club	RME Grant History						Justification Summary	Expense Estimate (\$1000 limit)	Past or Future Costs	Comments
	2014	2015	2016	2017	2018	2019				
DragonZone			☑			☑	OC1 repairs	\$1000.00	Past	
KPC	☑	☑		☑		☑	OC1 and OC6 repairs	\$1000.00	Past	
FVPC			☑	☑		☑	OC1 and OC2 repairs	\$1000.00	Past	
Latitude 48					☑		OC1 repairs	\$1000.00	Future?	Eligible in 2020
VCKC		☑		☑		☑	OC1 repairs and safety equipment	\$599.80	Past	Approve for \$1000.00 in case needed

DISCUSSION

- There is \$6,000 available (i.e. 6 grants) and five (5) applicants.
- I propose that all five (5) applications be approved for \$1000.00 each.

RECOMMENDED MOTIONS

Note that Leanne Stanley and Scott Borle are excluded from the voting in respect of the motion (regarding Kelowna Paddle Centre's and Fraser Valley Paddling Club's grant applications).

Motion #1

I HEREBY MOTION THAT the CORA Board APPROVE the Repair, Equipment and Maintenance Grant Applications of:

- Canadian International Dragon Boat Festival Society (Dragon Zone Paddling Club) submitted November 6, 2020;
- Kelowna Paddle Centre submitted November 10, 2020;
- Fraser Valley Paddling Club submitted November 10, 2020;
- Latitude 48 Paddling Club submitted November 11, 2020; and
- Victoria Canoe & Kayak Club submitted November 12, 2020;

each for up to \$1000, subject to submission of satisfactory receipts by December 31, 2020.

APPENDICES

The full text of each application is attached for your reference.

CORA Grants

to grants, dominic ▾

Fri, Nov 6, 8:46 PM (12 days ago)

Thank you for submitting a CORA RME Grant Application .

Your submission is listed below:

Application Date:	Nov 06, 2020
Contact Person First Name	Dominic
Contact Person Last Name	Lai
Applicant Club Name	Canadian International Dragon Boat Festival Society (Dragon Zone Paddling Club)
Contact Person Email Address	dominic@dragonboatbc.ca
Mailing Address	1 Athletes Way
City	Vancouver
Province	British Columbia
Postal Code	V5Y0B1
Contact Person Phone	7788468319
Justification (Statement of Use)	Funds will go towards wages for our repairs person to continue to conduct repairs to our OC-1 fleet, which has seen higher use during COVID-19 as all team boats remain unavailable. This ensures we have enough boats to meet demand and provide paddlers with a COVID-safe option to stay active during the pandemic and for the foreseeable future.
Estimate of Expenses	\$1000- We are claiming the maximum as the costs so far in the later half of 2020 (203 hours, \$25/hour) exceed the \$1000 cap.
Total Estimated Costs	1000
E-transfer email address:	invoices@dragonboatbc.ca
Electronic Signature	By clicking on this box, you are providing your signature.

to grants, kelownapaddlecentre ▾

Thank you for submitting a CORA RME Grant Application .

Your submission is listed below:

Application Date:	Nov 10, 2020
Contact Person First Name	Tamlyn
Contact Person Last Name	Böhm
Applicant Club Name	Kelowna Paddle Centre
Contact Person Email Address	kelownapaddlecentre@gmail.com
Mailing Address	3020 Abbott Street
City	Kelowna
Province	BC
Postal Code	V1Y1G6
Contact Person Phone	2504692016
Justification (Statement of Use)	During 2020 we had many new paddlers learning to use small boats, with that we had an increase in damage to OC1's and OC2's. We have had over \$1000.00 in repairs to date, with additional boats going in for repairs over the winter. In addition we have increased cleaning supply expenses due to COVID, and expect to have to increase the number of PFD's we have to accommodate cleaning procedures in the future.
Estimate of Expenses	\$1,155.00 for boat repairs, 2 x OC1, 1 x OC2 ama
Total Estimated Costs	1155.00
E-transfer email address:	kelownapaddlecentre@gmail.com
Electronic Signature	By clicking on this box, you are providing your signature.

CORA Grants

Wed, Nov 11, 5:37 PM (7 days ago)

to grants, latitude48paddling ▾

Thank you for submitting a CORA RME Grant Application .

Your submission is listed below:

Application Date:	Nov 11, 2020
Contact Person First Name	Melanie
Contact Person Last Name	Conard
Applicant Club Name	Latitude 48 Paddling Club
Contact Person Email Address	latitude48paddling@gmail.com
Mailing Address	4404 Bartholomew pl V8N 6B1
City	Victoria
Province	BC
Postal Code	V8N 6B1
Contact Person Phone	778-679-2276
Justification (Statement of Use)	Our club OC1 have been under heavy use with COVID keeping us out of the OC6 for the entire spring summer season. The boats have sustained our club during this time and allowed club members to continue getting out on the water and attend practices. Many of our members continue to rely on these boats entirely for pleasure and training as OC6 remains limited. Two boats have sustained enough wear and tear that they now have seam issues resulting in leaking. It is critical that we continue to keep these boats in good safe condition for our members and sustainability of our club during the pandemic.
Estimate of Expenses	Cost of labour and material \$1400 for the repair of two boats.
Total Estimated Costs	\$1400
E-transfer email address:	latitude48paddling@gmail.com

CORA Grants

to grants, outrigger

Thu, Nov 12, 1:37 PM (6 days ago)

Thank you for submitting a CORA RME Grant Application .

Your submission is listed below:

Application Date:	Nov 12, 2020
Contact Person First Name	Michael
Contact Person Last Name	Wheatley
Applicant Club Name	Victoria Canoe & Kayak Club
Contact Person Email Address	outrigger@vckc.ca
Mailing Address	355 Gorge Road West
City	Victoria
Province	BC
Postal Code	V9A 1M9
Contact Person Phone	250-592-6748
Justification (Statement of Use)	<p>Repair, Maintenance, and Equipment Grant Application</p> <p>2020-08-13, Before the pandemic reached Victoria the Victoria Canoe & Kayak Club (VCKC) had 3 very well used OC6 canoes and two underused OC1 canoes. In February I had the outboard motor that we use on the safety boat for the CORA Wake Up The Gorge race serviced, \$221.31.</p> <p>All paddling activity stopped with the arrival of COVID until the summer when VCKC resumed paddling in the smaller boats. From then until now the pair of OC1 outriggers have been in use a dozen times a week. Unfortunately, our two 16' roto-moulded plastic outriggers, labeled Nalu Kailiki, were in poor condition. The foot rest/pedals were sliding loose with C-clamps as stops, steel lines to the rudders were corroded and frayed, the plastic housings for the lines were missing or badly worn and the connections at the ends of the control lines were corroded.</p> <p>With the resumption of paddling in the OC1s I began repairs.</p> <p>2020-08-13, I had stainless steel parts machined for clamping the adjustable footrests/pedals, \$175.00.</p> <p>2020-08-13, I purchased stainless steel chain shackles and thimbles for the rudder control lines, \$34.67.</p> <p>2020-08-14, To replace the corroded steel rudder control lines I purchased 2mm Dyneema Marlo Excel Racing Cord, \$18.82.</p> <p>2020-08-17, To replace the worn or missing rudder control line housings I purchased 1/4"OD Teflon tubing, \$92.76.</p> <p>With the onset of fall and the end of daylight savings time a number of paddlers are paddling the OC1s after dark and need boat lights.</p> <p>2020-11-03, For boat safety I purchased an additional Sea Light with suction cup base, \$51.47.</p> <p>2020-11-03, Batteries for the above lights, \$5.77.</p>
Estimate of Expenses	The purchases listed above have already been paid for in 2020.
Total Estimated Costs	\$599.80 actual cost
E-transfer email address:	Mark Sondheim
Electronic Signature	By clicking on this box, you are providing your signature.
