## CORA Town Hall Session Overview

CORA was founded in 1992. Yet Canadians had been participating in outrigger canoeing events in the 1970s and 1980s. Several CORA clubs were founded in the in 1980s and 1990s long before CORA ever came to be. There were many individuals whose exploits are known to very few.

The goal of this CORA Town Hall session is to raise awareness of the "Significant and Exemplary Contributions" to Canadian outrigger canoeing by the 2021 inaugural year group of Canadian Outrigger Hall Of Fame inductees so that you may know what they have achieved so that others may follow in their footsteps.

## Canadian Outrigger Hall Of Fame Vision

At the Canadian Outrigger Racing Association (CORA) November 2020 Pre-AGM (Annual General Meeting), there was consensus that there were many individuals who had made "Significant and Exemplary Contributions" to Canadian outrigger canoeing, but their stories had never been captured, and they had never been formally recognized.

CORA spent early 2021 tracking down this history, and fact-checking as best as possible the exploits of those individuals who founded CORA, who founded CORA clubs, who were coaches / builders with CORA clubs, who inaugurated races, who excelled at IVF / Molokai / Catalina / Queen Liliuokalani events, and who designed / built / imported / distributed canoes to grow the sport.

CORA introduced a formal process in January 2021 to nominate, research, vet, elect, and induct a backlog of influential individuals going back across four decades.

At the August 2021 CORA Board Meeting marking the end of the cycle for the inaugural year for this process, 18 individuals were inducted into this new Canadian Outrigger Canoeing Hall Of Fame. This inaugural year group of inductees will set the bar going forward for future nominees.

## Comox Onsite Presentation For Eight Of Their Own

CORA was very fortunate that the inaugural year process was completed in early August 2021 several weeks before the Comox Valley Canoe Racing Club (CVCRC) OC6 event at the end of August. Comox graciously organized and hosted a Canadian Outrigger Canoeing Hall Of Fame presentation for the eight inductees who have called Comox home.

1. Rick Nu'u (Posthumous)
2. Peter Forand (Posthumous)
3. Heather Taylor
4. Don Irvine
5. David Boulding
6. Annie Boulding
7. Mel Whittall
8. Cheryl Skribe

## CORA Virtual Presentation For Ten Inductees

For those inductees who are spread across Canada and the rest of the world, CORA is having this online Town Hall to recognize those inductees for whom an in-person presentation may not be feasible.

Some of the 2021 Canadian Outrigger Hall Of Fame Inductees are no longer with us or we have not been able to contact them. CORA has invited those Inductees we have been able to contact and one or more individuals who know / knew them well to speak on their behalf.

We have prepared a slide that highlights some of the major achievements that we have been able to confirm so that you may know more about each of them. We have asked each Guest Speaker to speak for 5-10 minutes as to how / when / where they met the Inductee and any personal thoughts they may wish to share about the Inductee.

The Inductees and their Guest Speakers are as follows:

1. Drew Mitchell: Tony Hall
2. Hugh Fisher: Karen Tomlinson and Alwyn Morris
3. James van Nostrand: Lynne Smith and Mel Whittall and Lynne van Nostrand
4. Sheila Kuyper: Mallorie Nicholson and Wendy Perkins
